8. NEW BUSINESS

9. REPORTS & DISCUSSIONS

R-1—INFO - Regular Report on Current Operations – Deputy CAO Elizabeth Cumming

Mayor Daugert: *Spent time on Misty Isles Economic Development Society business – our executive director is on leave due to illness. The Tourist Director has returned from the Vancouver Outdoor show and is willing/trying to assist other areas as necessary. MIEDS sending a note to Minister Conroy, Minister of Forests, and others in FLNRO asking the Minister to speed up the matter of the Community Forest and the reliable issuing of Timber Sales – they let out two sales a year ago and has not moved since. Part of the reason may be that they are discussing the allocations, some of the participants do not wish the community forest area to be respected and they want to do applications to that area in the hope that it will go away. Not sure how this will be received by the ministry but stressing in his letter (that will be sent out tomorrow) that we would like to see this matter dealt with before the elections in the fall, with the current team in place that has the chance to see and evaluate the options. It has dragged on about 10 years too long, and if nothing happens now it may never. Which would be a slap in the face to the dozens of people who have tried to get a community wood supply going on the Islands. Will be attending in person the next North Coast Regional District on the 19th. At our next meeting will be here if the ferries are on time.*

Councillor Whitney-Gould: *Nothing of significance. Regular meetings and getting budget done for Vibrant Community Commission. Fielding a few calls for the projects.*

Councillor Gould: *NDIT is meeting March 25th, attempting to do in-person in Terrace. Last few times they cancelled and made it a phone call; Councillor Gould is not attending. Identified review of birdtower, and rot issues with wheelchair ramps– recommendation is for proper engineering review.*

Councillor Falconbridge: *Nothing to report. Questions regarding the Bird Tower/Trails and regarding the Queen's photo being returned to the wall in Council Chambers.*

Councillor Cumming: *In the last half of February had a loan approval meeting with Community Futures - things are moving along there and trying to help out businesses Islands-wide. Did not attend the Gwaiitel AGM on Saturday, had conflicting work schedule. Port Clements Recreation Commission meeting happening on Thursday, should have minutes and Agenda out and posted tomorrow.*

2022-03-074—Moved by Councillor Falconbridge, seconded by Councillor Whitney-Gould
THAT Council receives the written and verbal reports from Council and Deputy CAO Elizabeth Cumming.

10. ACTION ITEMS

11. QUESTIONS FROM THE PUBLIC & PRESS

Question – Dale Lore: The M&B subdivision owned by the Village and not being developed loses the Village c. \$400,000/year in lost revenue (water & sewer revenue & taxes). My question is if I offered you \$500,000 for the M&B subdivision with the promise of 6 assisted living places and 12 affordable housing units, told you that I would use the ridge along the inlet to put in the high-cost houses, and I believe I could make \$2-3 million dollars in profit. You own the land and it is not doing anything, the water and sewer were put in 1981 and are not doing anything, not paying anything or for itself. Instead of selling it to me, I think you should develop it, make the profit from selling the lots. The Village is supposed to be growing the community and the market is going crazy right now – no other community on Island can build, and we are in a unique space. If you do not do it, it should be put up for bid.

Answer: Thank you for your question and suggestions. Your suggestions are welcome, but it may or may not be the path we take. Our reduced and limited capacity and ability in the office has made it difficult to undertake this activity, but the Village has been moving into a better position for it.

M-1

Question – Dale Lore: Can you pressure Northern Health to put a community nurse in the clinic?

Answer: Council can look into writing a letter to Northern Health inquiring about what their plans are involving a community nurse in Port Clements.

2022-03-075--Moved by Councillor Falconbridge, seconded by Councillor Whitney-Gould
THAT Council directs staff to write a letter to Northern Health to ascertain the status and plan regarding the clinic in Port Clements moving forward and replacing the Community Nurse position.

To whom it may concern:

I am writing this letter on behalf of the Village of New Denver Council, asking that all levels of Canadian government join us in condemning the recent actions taken by Russia in its invasion and attacks on the sovereign nation of Ukraine.

At the regular meeting of Council held March 8, 2022 the following resolution was passed:

"That the Village of New Denver opposes in the strongest terms Russia's invasion of the Ukraine nation and demands the immediate removal of Vladimir Putin as Russian leader."

We ask that fellow local government, provincial and federal leaders stand together with a united voice stating that we will not allow the tyranny and terrorism on the Ukraine nation at the hands of Russia to continue.

Sincerely,

Leonard Casley

UBCM Member Municipalities

Dear UBCM Members:

Re: Support for Resolution

I am writing on behalf of Abbotsford City Council, requesting favourable consideration and resolutions of support for recovering municipal costs through Build Back Better Funding for critical infrastructure for inclusion at the upcoming LMLGA Convention, in advance of the UBCM Convention this fall.

At the February 28, 2022 Council Meeting, City Council approved the following resolution:

WHEREAS the Province of BC completed a Preliminary Strategic Climate Risk Assessment for B.C. in 2019 that found that extreme weather events will continue to worsen across the province in coming years including heat waves and severe river flooding, with extreme precipitation events continuing to increase toward 1 in 20 year events becoming 1 in 10 year events or lower;

AND WHEREAS the Minister for Public Safety and Solicitor General and Emergency Management BC have been working closely with the UBCM Flood and Wildfire Advisory Committee and local governments since mid-2019 to modernize Emergency Program Act (EPA) to support local governments in responding and planning for disaster mitigation through phased-in legislative updates beginning in 2022:

THEREFORE be it resolved that the provincial government, as part of the process of modernizing the EPA legislation, include robust and sustainable 'building back better' funding at 100 per cent as part of the first phase of the updated EPA legislation in 2022; and additionally consider enhancing the Community Resiliency Investment Program to include funding programs for flood related infrastructure improvement.

We look forward to, and appreciate your support on this matter.

Yours truly,

Henry Braun
Mayor

9	TOTAL Payment in Lieu of Taxes		-\$ 8,730.00	-\$ 8,766.00	-\$ 8,150.00

- "Taxes" is municipal property tax that is collected by the Village for its operations.
- In 2022 the property tax collection is budgeted to return to the 2019 collection amount. In 2020 & 2021 the property tax had been at a reduced amount as a way to offer some relief to commercial & residential property owners during the COVID-19 pandemic. It is not financially sustainable to keep reduced tax collection levels.
- "Payment in Lieu of Taxes" are similar to property taxes, but are collected from property owned or vested in the provincial and federal governments and their associated agencies and crown corporations that are exempt from property taxation.

- "Unconditional Transfers" are grant funds we receive that do not have conditions for their use - other grant funds are typically project specific. In this group we have the Small Community Protection grant that is received from the Province automatically and is to enable the Village to afford hiring staff and other key operational aspects in order to be able to operate a Village.

- "Reserves" in revenue are when the Village is withdrawing on reserve accounts/savings accounts, and usually happens if there is a deficit budget. In local government the term 'reserves' means dedicated reserves established by bylaw, however, it appears that the Village has been referring to general savings (not established by bylaw into reserves) as 'reserves' as many of the budget line 'reserves' are not reserves, just savings. The Village has to withdraw money from the reserves to balance the 2022 budget.
- "Collections from Other Agencies" refers to the property tax that is collected by the Village on behalf of other taxing authorities. These organizations do not finalize their property tax requisition requests until the end of April, so the numbers in the budget are placeholders.

- With the budget this year, in order to meet legal requirements for a balanced budget, \$249,118 will need to be taken from reserves (savings).
- Typically the Village's budgets tend to be cautious, overestimating expenses and underestimating revenue. However, it is better to be cautious with budget estimates.
- With current savings, if the Village continues to withdraw the same amount from each year to balance the budget there is roughly 10 years before they are exhausted (2032). This is a very short timeline in the life of a municipality.

02 Sewer

- Sewer has a dedicated budget section as it is one of the two core services that the Village provides.
- Broken into two main sections of revenue ("40-1") or expense ("40-2") budget lines
- Revenue values are presented as a negative (-\$ XXX.XX) amount, while expenses are a positive (\$XXX.XX) amount in their budget lines.
- Both revenues and expense budget lines are categorized into groups:
 - **Revenue categories:** Fees & Taxation, Grants & Transfers
 - **Expense categories:** Operating Expenses, Capital Expenses, Debenture Expense

Village of Port Clements Recreation Commission

2022 Budget Request

At its meeting of January 27, 2022, the Port Clements Recreation Commission (PCRC) reviewed its 2021 expenses and considered its draft 2022 budget.

Due to Covid-19 restrictions, very little of the 2021 budget was spent.

The 2022 budget presumes the ability to hold events, and adds funding to allow for supplies related to Covid-19 or other health protocols, plus the purchase of more propane space heaters and firepits which are essential portable heat sources for outdoor events. Outdoor events such as December 2021's Christmas at the Community Park have been replacing indoor events (previous year's Christmas Breakfast with Santa) as being safer and simpler to hold with public health restrictions. Possibly the \$2,250 due to Covid-19 requirements could be recouped by the village from provincial Covid-19 funds.

The list of holiday events is intended to be a rough guideline & flexible throughout the year.

The amount requested from the \$16,000 Gwaii Trust Community & Holiday Events fund recognizes that it is shared with Tlell and other communities within Gwaii Trust's Central Graham Island area, as well as funding events sponsored by Senior Citizens' Association of BC Branch 123. Before 2021, Gwaii Trust provided up to \$20,000 annual funding through two separate grants.

2022-01-03—Moved by Marilyn Bliss, seconded by Christine Cunningham,
TO adopt the 2022 draft Port Clements Recreation Commission budget as presented.

REPORT TO COUNCIL

Author: Marjorie Dobson, Chief Administrative Officer

Date: March 21, 2022

RE: Regular Report on Current Operations

BACKGROUND:

The CAO/Acting CAO updates Council at the Regular Council Meetings on current operations and challenges.

DISCUSSION:

The report is not an exhaustive list of operational activities that have occurred since the last update or are occurring, but to provide a general update and identify notable occurrences in current operations for Council.

Administration:

- Sewer Lagoon Project: expected completion of current project phase (tree removal & haul) by end of March, however, concerns with contractor ability to meet deadline. Next project phase (clearing & burning), contractor is ready to start and may begin work while phase 1 is completing.
- Sunset Park Revitalization Project: project manager back on Island, meetings with staff and contractors, crush deliveries, working on organizing lining up more project aspects. Tree removal work ongoing, engineer review of birdtower happening week of March 21st.
- Work on 2022 Budget, including Special Meeting
- Village Cleanup 2022: after checking with the Island Solid Waste Landfill, they identified that April 30th and May 7th (two Saturdays in a row) are good dates for the free tipping days. Unless Council has issue with the dates, or does not want to hold the Cleanup, it will be scheduled for then.

Finance:

- Year-end rollover
- 2021 Audit will be conducted in-person this year, Auditor will be here week of March 21st.
- 2022 Budget process: 2022 budget having further public review on March 21st Regular Meeting & then finalization.
- Reconciliation of completed grant projects for reimbursement claims from grant bodies.

Public Works:

- Continuing work in support of Bird Tower/Sunset Trail upgrades with project manager.
- Continuing support to engineers and administration for wastewater lagoon upgrade.
- Froese light bases installed, pending installation of lights onto bases.
- Spring trail maintenance, brushing and turf maintenance underway.
- Water line leak issue on Jasper Street requiring full Public Works attention
