August 22, 2023

We are requesting a special meeting of the Port Clements Village Council to discuss the property the Port Clements Restoration Society is requesting for the purpose of building housing for seniors and persons with disabilities.

We apologize for the last-minute nature of this request; however, we were advised by an independent consultant on Monday that this is a necessary action. We require this meeting in order to have a response from the Village Council to take forward to our societies meeting with BC Housing on September 14, 2023 and CMHC on September 15, 2023.

Sincerely,

Port Clements Housing and Restoration Society
