DISPLAY CABINETS FOR SALE

The Village of Port Clements (the Village) is selling its display cabinets (pictured left) by closed bid. The cabinets will be sold to the highest bidder. Please note that the successful bidder must be able to collect and move the display cabinets from their current storage location by themselves or make their own arrangements for pickup and delivery to their location, as the Village will not be delivering the display cabinets or assisting with moving them.

The Village has 2 display cabinets (A and B) that are being sold as is. They are being sold individually, so bid submissions must identify the price for the individual display case being bid on, but different bids on the different display cabinets can be on the same submission.

Inspection is recommended prior to submitting a bid. All bids must include the full legal name and the contact information (phone and/or email) of the bidder in addition to mailing address.

To schedule a viewing or if there are any questions, please call the Village Office at (250) 557 - 4295 or email us at office@portclements.ca. Viewings can only be scheduled during the Village Office's normal business hours.

The minimum accepted bid for Display Cabinet A is \$150.

The minimum accepted bid for Display Cabinet B is \$800.

The closed bid must be delivered or received in a sealed envelope by the Village Office by 1:00 PM, Wednesday, May 15th, 2024.

While mailed in bids are accepted, the final pickup for mail submissions will occur the morning of May 15th, 2024, as part of the Village's normal mail collection routine prior to the post office's opening. After that point, only submissions delivered or received directly at the Village Office will be accepted until the submission deadline.

The Public Opening of bids will occur at 1:30 PM, Wednesday, May 15th, 2024, at the Village Office.

All closed bids need to have "Closed Bid: Display Cabinets" written on the front of the envelope.

If mailing in the closed bid, the enveloped must be addressed as:
