Haida Gwaii Weekly Vaccine Planning Table:

Haida Gwaii leadership is respectfully asking that the vaccination priority include *all* Haida Gwaii Elders and seniors over 65 years of age in upcoming vaccination planning, and for all Haida Gwaii residents when doses are available.

We understand the first vaccine rollout for Haida Gwaii will have a unified approach and we are in full support of that, and hope subsequent doses for the rest of Haida Gwaii are the same. Our Haida Gwaii communities are closely interconnected, all facing the same challenges of access to medical care and remoteness in the case of a COVID-19 outbreak.

Signed,
